TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The Undersigned has the honour to report that Mr. George F. Marrum of Peace River, Alberta, has agreed to exchange the northwest quarter of Section 4, and the northeast quarter of Section 5, Township 2, Range 3, West of the 5th Meridian, which are situated in the Elbow Forest Reserve, for the west half of Section 25, Township 92, Range 21, West of the 5th Meridian, which land lies without the reserve and is available for this purpose.

The lands being surrendered are non-agricultural but are of value for timber production. They are situated in the interior of a small forest reserve which is entirely surrounded by cultivated prairie lands and their inclusion in the reserve would enhance the value thereof very materially.

The Undersigned, therefore, has the honour to recommend that authority be granted for the issuance of Letters Patent to Mr. Geo. F. Marrum for the West half of Section 25, Township 92, Range 21, West of the 5th Meridian in lieu of the lands surrendered by him, in accordance with the provisions of Section 7, of the Dominion Forest Reserves and Parks Act, and that Mr. Marrum be allowed to remove the improvements constructed by him on the lands surrendered.

Respectfully submitted,

Minister of the Interior.

Dear Sirs;

In or about the year 1892 my father( Richard Ewalt West) went to Alberta, from the United States. He took up a homestead five and one miles west of Bowden, proving same and became a Canadian Citizen on so doing,;

It is very important at this time that I find out the date of his proving his homestead or becoming a Canadian Citizen, and will very much appreciate your immediate attention to this matter.

If there is a charge for this investigation will you kindly let me know, again I say, it is most important that I his son have this information within the next few days or weeks. Richard Ewalt West, my father, is deceased, so I must count on the proper department of your government for this much needed information.

Thanking you in advance and anxiously awaiting your reply; I remain.

Yours truly,

Earl E. West

Sir,

I have to refer to your letter of the 22nd November last attached to the file in this letter of the 22nd November application on behalf of the Mule Shoe Oil Syndicate, Ltd. to acquire the surface rights of certain lands in the fractional S.E. 31-27-18, 4th meridian and the fractional S.E. 6-28-18, 4th meridian and the with coal lease No. 1350. It seems that Mr. Jones rights to secure legal subdivision 16 of section 31 and legal subdivision 1 of section 6 by the location thereon of half-tread scrip and the remaining area in these quarter sections I view east of river by purchase.

The fractional S.E. 31, east of river, is vacant in the records of this Branch and the fractional S.E. 6, east of river, forms a portion of Ranch No. 5056 under lease to Messrs. James W. and William J. Caldwell of Drumheller, Alberta.

Before further dealing with this matter I should be glad to be favoured with an expression of your views regarding the requirements of the applicants as to this point in connection with their coaling operations. See your file No. 142574 S.E. 6 W.

Mining Lands Branch,

Ottawa, 24th October, 1922.

MEMORANDUM:-

Mr. Finnie,

Mrs. Annie L. Bullock, of Calgary, has applied for a lease of the coal mining rights of that portion of Section 31, in Township 27, Range 15, west of the 4th Meridian, lying North and East of the Red Deer River, and has tendered payment of rental, amounting to $54.00. Mrs. Bullock already holds a lease of the petroleum and natural gas rights of this area.

There is an adjoining coal mining location - No. 1350 - held by the Maple Leaf Minerals, Limited, embracing an area of nearly 2,000 acres, and it would appear that this Company proposes to operate the location. Jesse Gouge, the President of the coal mining company applied for the surface rights of the North East quarter of Section 31, North and East of the River, claiming that it was necessary for his proposed mining operations. The area is outside his leasehold, but the report of the Mining Inspector some time ago made was to the effect that these surface rights were essential for the proposed operations of the Maple Leaf Minerals, and on file 4458708 (M.C.) authority has been given to permit Mr. Gouge, the President of the Company, to locate half-breed scrip on Legal Subdivision 16, which forms the bulk of the area in question, in order to give the coal mining company the necessary control of the surface rights of this land.

I find it stated in several memoranda on the various files dealing with this matter that there is no merchantable coal on the North East quarter of Section 31, but I cannot find any report of any Mining Inspector substantiating this statement. The matter is already complicated by the fact that Mrs. Bullock holds a petroleum and natural gas lease covering the North East quarter of Section 31, where as the surface rights of the greater portion of this area will under the location of the half-breed scrip be controlled by the Maple Leaf Minerals. The matter will be still further complicated if a lease of the coal mining rights of this area is issued to Mrs. Bullock, and if the area in question does not contain coal, it would appear that the Department might be justified in refusing the application.

As, I think, you have yourself visited the area in question, you may be able to state of your own knowledge, without requiring a further inspection, whether this area gives indications of coal, and whether it would be advisable to issue a lease to Mrs. Bullock in view of the complications already existing.

ACTION TAKEN [illegible] 1922.

Sir:-

G. A.

W.½ 7-74-16-W.4th Meridian.

Referring to the homestead entry you obtained on the 6th ultimo for this quarter section, I regret to inform you that such entry is illegal in view of the fact that you are not entitled to another homestead having acquired a patent for the last half of the East half of Section 36, Township 75. Range 12. West 5th Meridian.

Therefore, your recent entry cannot be allowed to stand and the agent is being instructed to cancel it in his records and return you the $10.00 entry fee you paid.

In view of all the circumstances, and the improvements you have made upon the quarter section, it has been decided to permit you to purchase the land subject to the performance of ordinary homestead duties. The purchase price will be based on a valuation to be placed upon the land by a Homestead Inspector.

Kindly inform the Department by return mail whether you wish to take advantage of the opportunity given you of purchasing the land subject to homestead duties.

Your obedient servant,

Assistant Secretary.

February 28th, 1935.

To Whom It May Concern:

This is to certify that Mrs. Agnes Lenz was examined by me at the Mental Hygiene Clinic February 26th, 1935. Following is a summary of my findings:

Diagnosis:- Psychoneurosis.

Hysteric - neurasthenic reaction type on an inadequate personality basis. In other words, there is no insanity certifiable as such but there is psychic disorder which manifests itself in emotional instability, hysterical like behaviour, mental conflict, inability to adjust to given situations, etc. In my opinion, there is nothing at the present time in the mental state of this woman which would absolutely preclude her going to a homestead. The length of time she would remain there or whether she would go at all would depend upon her mental reactions at the time the suggestion is made.

No physical examination was made.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

The undersigned has the honour to report:

THAT on the 13th February, 1923, Nick Lenz of the City of Edmonton, in the Province of Alberta, a returned soldier and a pensioner through war wounds, obtained a homestead entry for the South East Quarter of Section Twenty-seven (27), Township Eighty (80), Range Four (4), West of the Sixth (6th) Meridian, in the said Province, under the Homestead provisions of the Dominion Lands Act, upon the security of which advances have been made under the Soldier Settlement Act;

THAT Mr. Lenz is physically unable to complete the final six months residence requirements of the Dominion Lands Act, and has submitted medical evidence to that effect.

Therefore, under the circumstances, the undersigned begs to recommend the remission of the incompleted period of residence, under Subsection Two (2) of Section Twenty (20) of the said Dominion Lands Act.

Respectfully submitted,

Minister of the Interior.

PREPARED FOR THE CLERK OF THE PRIVY COUNCIL:

Section 13 of the Alberta Natural Resources Transfer Agreement (ratified and given the force of law by the British North America Act, 1930) provides that all interest in Crown lands in the Province, upon the security of which any advance has been made under the provisions of the Soldier Settlement Act and amending Acts, shall continue to be vested in and administered by the Government of Canada for the purposes of Canada.

The Memorandum to Council, herewith, recommends the remission of the incompleted period of residence required of Mick Lens for the earning of patent for his homestead, the South East quarter of Section 27, Township 80, Range 4, West of the 6th Meridian.

Section 16 of the Dominion Lands Act stipulates that a holder of a homestead must have resided thereon for at least six months in each of three years before becoming entitled to the issue of Letters Patent.

Mr. Lens has performed the required residence in each of two years but on account of disability, in the nature of a muscular weakness of the right fore-arm and wrist, it is represented that he is unable to complete the third period of six months residence.

Medical evidence has been submitted to the effect that he is physically incapacitated for the performance of the unfulfilled residence duties, and it is proposed by the attached Memorandum to Council to waive the requirements of the Dominion Lands Act in that regard.

The Committee of the Privy Council have had before them a Report, dated 26th December, 1935, from the Minister of the Interior, submitting:

That on the 13th February, 1929, Nick Lenz of the City of Edmonton, in the Province of Alberta, a returned soldier and a pensioner through war wounds, obtained a homestead entry for the South East Quarter of Section Twenty-seven (27), Township Eighty (80), Range Four (4), West of the Sixth (6th) Meridian, in the said Province, under the homestead provisions of the Dominion Lands Act, upon the security of which advances have been made under the Soldier Settlement Act;

That Mr. Lenz is physically unable to complete the final six months residence requirements of the Dominion Lands Act, and has submitted medical evidence to that effect.

The Minister, therefore, under the circumstances, recommends the remission of the incompleted period of residence, under Sub-Section Two (2) of Section Twenty (20) of the said Dominion Lands Act.

The Committee concur in the foregoing recommendation and submit the same for approval.

Memorandum,

Mr. Turner

Attention: Mr. Gresley

Re: Township 52-4...5th Mer.,
N. ½ 16, S.E. 16, N.E. 29.

With reference to your memorandum of May 16 last, enquiring as to whether any of the above lands were set aside by order in council as public shooting grounds, I would advise you that none of these lands were reserved by order in council for the purpose mentioned.

They were all however, provisionally reserved for inclusion in the Sabaman Lake Public Shooting Ground. This reservation was made at the time by notation in the Land register that no disposal was to be made of these lands, and on cancellation of existing entries, they were to be held for public shooting grounds.

This Public Shooting Ground was established by Order in Council P.C. 356 of the 9th March, 1925, passed pursuant to the provisions of the Dominion Lands Act. This was a general order in council establishing a number of public shooting grounds in the province of Alberta from available Dominion Lands.

No final action was ever taken here to have the lands in question included in the Sabaman Lake Public Shooting Ground and as far as I am aware these lands were transferred to the province with other natural resources under the Natural Resources Act of the 30th May, 1930, and are now under the administration of the Province.

Report of a joint inspection of the lands in question in October, 1934, by Departmental officers and a provincial officer shows that these lands would be a very desirable addition to the public shooting ground.

Order in Council P.C. 356 of the 9th of March, 1925, is the only order passed by the Dominion Government setting aside lands in Alberta for public shooting grounds.

Sir,

Re S.E.½ 35-21-23-W.3th M.

I have your letter of the 6th instant, requesting to be permitted to withdraw your declaration of abandonment of the entry for your soldier grant, above mentioned, on the understanding that you are granted six months extension of time within which to take up your residence thereon.

I may say, in reply, that inasmuch as you have held entry for this land since the 14th November, 19[illegible], the Department will be unable to grant your request. Under the circumstances, it has been decided to carry out cancellation of the entry in accordance with your said declaration of abandonment and cancellation is hereby carried out accordingly.

However, the present time limit and surrender of this letter to any agent of Dominion Lands will serve as the authority for granting you another soldier's entry for any available lands on the ordinary terms.

Please note that if you are indebted to the Department for seed grain you are only permitted to make a fresh entry subject to the transfer of such seed grain indebtedness to the land for which you may enter under the authority of this letter.

The agent of Dominion Lands at [illegible] is being requested by the [illegible] copy of this letter to take similar action with regard to his records and to advise you when the land will be available for entry and in order that you may have an opportunity of applying for re-entry on the ordinary terms.

MEMORANDUM:

Mr. Howe.

List of unpatented entries on quarter sections comprised within the Peace River Block, portions of which quarter sections are situate in Alberta and British Columbia respectively.

In compliance with your request, herewith is a statement showing the entries by plan those portions of the quarter sections above referred to, which are situate within the Province of British Columbia.

It would appear desirable that the files should be consulted in each instance in order to ascertain whether the entry included the whole quarter section.

Copies of the township plans for Alberta and British Columbia indicate that in some cases two patented entries for the same quarter section appear. This would be accounted for by the fact that the patents would of necessity contain different reservations.

If, as is probable, the entries in question cover the whole quarter section, it would be necessary to have copies of the files for both of the Provinces.

Memorandum. Ottawa, 28th November, 1922.

The boundary line between Alberta and British Columbia crosses the Peace River Block from north to south, and there is a tier of quarter sections, part of which is in Alberta and part in British Columbia. Mr. Caldwell has compiled a list of entries affecting the quarter sections in this tier and the question is, to whom shall the files relating to these entries be sent?

The Director of Lands for Alberta has made application for two of these files, and in a third case his letter is now with Mr. Ashfield to obtain the necessary papers. In the two cases cited herewith, the greater part of the quarter section lies in British Columbia (106 acres in one case, and 106.2 acres in the other).

Under ordinary circumstances it would seem that the province most interested is British Columbia, but since the Province of British Columbia has not so far applied for any files relating to lands in the Railway Belt and the Peace River Block, perhaps you may wish to release these files for Alberta, the letter in each case pointing out the facts as to the portion of the quarter section lying within the Province of British Columbia.

It might be well also to send advice to the authorities of British Columbia as these files are forwarded to Alberta.

Should the transfer of the file in each case await a request from Alberta, or should the entire list be got out and forwarded?

Mr. Hume.

List of unpatented entries on quarter sections comprised within the Peace River Block, portions of which quarter sections are situate in Alberta and British Columbia respectively.

In compliance with your request, herewith is a statement showing the entries covering those portions of the quarter sections above referred to, which are situate within the Province of British Columbia.

It would appear advisable that the files should be consulted in each instance in order to ascertain whether the entry comprised the whole quarter section.

Copies of the township plans for Alberta and British Columbia indicate that in some cases two patents were issued for the one grant. This would be accounted for by the fact that the patents would of necessity contain different reservations.

If, as is probable, the entries in most cases covered the whole quarter section, it would be necessary to have copies made of the files for one of the provinces.

They should be sent to Mr. Norquay, our Agent, in order that the usual receipt may be obtained from the Province. Dear Sir:-

re Tree Sale No. 11-12
Fr. L.S. 3 of 52-22- -W.4

In regard to sale of the above land to Mr. Jas. Aikens of Magnolia, I am considering buying this piece of land from Mr. Aikens and I would like to know if I can buy his agreement so that the land could be put in my name upon payment of the balance due on the place. If this could be done, is there any special form that we would have to sign or would I simply have to get a paper signed by him transferring to me his interest in the agreement with the Department? Would the Department recognise a transfer of this kind or would the agreement have to be approved by Ottawa first?

Will you also please let me know how much will be due on this land, including interest up to the 22nd of August.

Yours truly,

Charles Daniel.

MEMORANDUM:

Deputy Minister,

Re. Jarvis Townsite In L.S.16, Sec. 15, and L.S.1 Sec. 22- 63-27-W.4th Meridian.

---

The portion of the above mentioned lands containing about 33 acres and shown yellow on the sketch hereunder has been subdivided into a townsite.

The Homestead Inspector who reported in this matter stated that the country in this vicinity is rapidly being settled and this was the logical point for a townsite to serve the surrounding country.

Shown red upon the sketch is the area that it is proposed to sell to the Excelsior Lumber Company for a millsite and piling grounds. Reference to the sketch will show that the townsite is practically cut off from access to the Pembina River.

In view of the fact that this townsite is tributary to a large and well settled country, it would appear that it would seem advisable to reserve a further area to allow for expansion and also to give the townspeople access to the river.

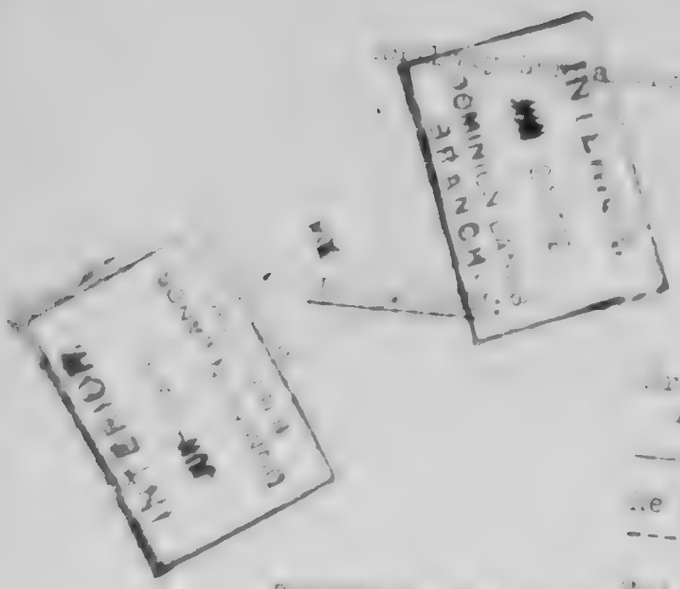

In view of the above I beg to recommend that part of L.S.1 lying to the west of the Railway, all L.S.2 and that part of L.S.3 lying north of the River, all shown coloured blue on the sketch and containing approximately 57 acres be reserved for townsite purposes, but not subdivided for the present.

Respectfully submitted,

Superintendent.

The Committee of the Privy Council have had before them a report, dated 11th January, 1911, from the Minister of the Interior, submitting that the Department of the Interior has had under consideration the claims of certain settlers who have been living on portions of sections 18 and 22, township 63, range 27, west of the 4th meridian, in the province of Alberta, the land referred to being situated in the vicinity of the station of Myrtle on the Edmonton, Yukon and British Columbia Railway.

This subdivision has been surveyed under the instructions of the Surveyor General of Dominion Lands, and the plan thereof has been registered in the Land Registration District at Edmonton.

The Minister therefore recommends that he be authorized to dispose of the lots in the said subdivision at the valuation placed thereon by an officer of the Department of the Interior on the usual terms regarding homestead sales, namely, either for cash at the expense rate at date of sale, or one fourth of the purchase price at that date and the remainder in three equal consecutive annual instalments with interest at the rate of 6% per annum from and 7% on all arrears.

The Committee advise that the recommendation be acted upon accordingly.

Sir,-

Re L.S. 1, West of Railway.
L.S.2 and L.S. 3 North of River
Sec. 22, Tp. 65, Rge. 27. W. 4th M.

By letter of the 15th June, 1922 you were instructed to reserve the above mentioned lands with the view to the extension of the townsite of Jarvie.

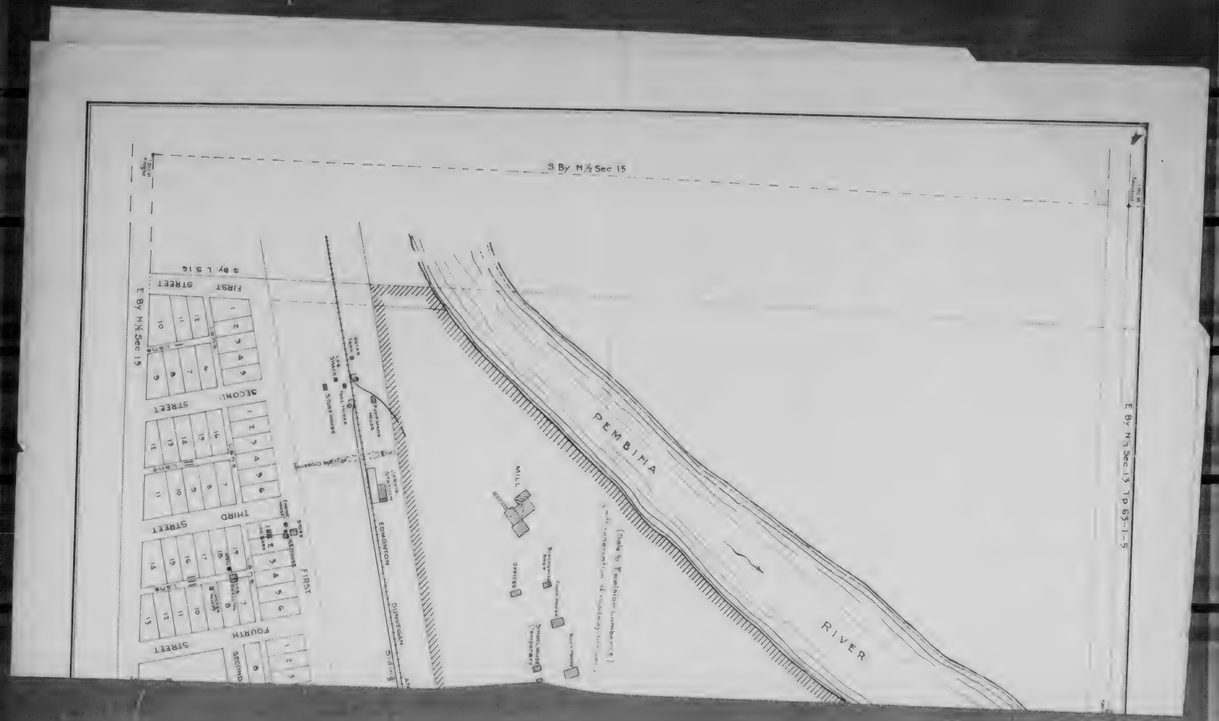

Mr. Omer Martin of Jarvie has now made application for the fractional south half of the South East quarter of said section 22, West of the Railway, but before dealing with this application it has been deemed advisable to have a report obtained in connection with the desirability of retaining the reservation for townsite purposes. Will you, therefore, instruct a Homestead Inspector to visit the townsite of Jarvie and investigate the conditions there with respect to the possible growth of the town. The Inspector, when making his investigation, should take into consideration not only the lumber industry, but also agricultural and any other industries that may develop in the vicinity. He should be instructed to state in his report whether in his opinion the present townsite is large enough for all requirements, or whether part or all of the land in question should be retained under reservation for future townsite development.

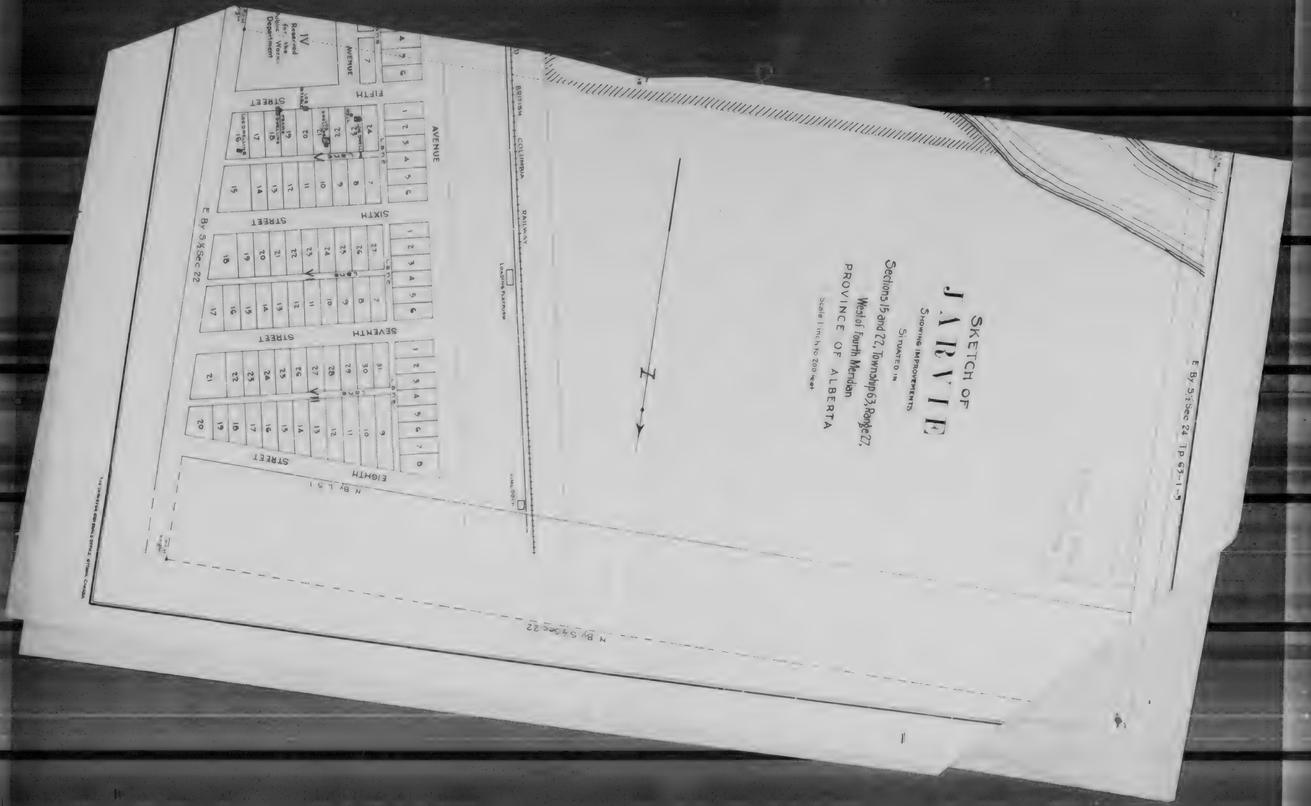

Your obedient servant,

Acting Superintendent.
